No According to rule 6 of the Insurance rules, Insurance in the Officers Br will be Compulsory on all persons who enter the permanent pensionable Service of the Mysore Govt. Rule 29 extends this Concession to the Officers on the permanent establishment of the Local Fund & Mal Boards in Mysore. Therefore the question whether the officials of the mal High Schools are to insure their lives in the Official Provident Br of the Secto- life Insurance depends on the latter question whether these Girls Schools are considered as part of the permanent est of the Municipalities Concerned. This aspect of the question has to be dealt with & decided by the L & G Br

17 Since these mal High Schools are treated by the Govt Dept as grant-in-aid institutions hence allowed to enjoy the benefits of the Aided Schools Provident Fund. The Govt Br in their note at para 14 in mal file 265-31, stated, that the officials of these High Schools can only insure their lives in the Provident Br (if they so desire). The members of other aided High Schools in the State are not even allowed to insure their lives in the Officials Br & to afford facilities to them to provide

for themselves & their families the Aided Schools Provident Fund scheme was instituted. This Concession has also been extended to the Municipal High Schools the natural presumption therefore being that the members of the staff of this latter class of Schools are also not entitled to the benefits of the Provident Insurance
